1. The Sächsisches Industrie Kontor, GmbH, Dresden, Sternstrasse, was organized on 28 June 1946 and entered in the Dresden commercial register on 12 October 1946 (page B 948). The corporation deals principally in raw materials and unprocessed or semi-processed goods, supplying these to Land Saxony's industrial plants.
2. The management of the Sächsisches Industrie Kontor consists of Hans Krüger, Dresden, Richard Cantstetter, Leipzig, and Joseph Gutsche, Leipzig, all of whom are members of the SED.
3. The members of the Kontor's advisory board are:

Dr. Klippgen, Dresden (of the Papiergrosshandel Richard Klippgen & Co.): specialist on the paper industry.

Laufer, Dresden: specialist on iron and steel.

Direktor Jahn, Dresden-Niedersedlitz (of Firma Stumpf, AG): specialist on chemicals.

Kommerzienrat Müller, Leipzig.

Willicke, Leipzig.

Fritz Selmann, Economics Minister of Saxony: Chairman of the board.
4. The Kontor is capitalized at 200,000 RM. Forty-nine firms (mostly state-owned) each contributed 2,000 RM, while the Government of Land Saxony supplied the remaining 102,000 RM.
5. The Kontor is responsible for the procurement of imports needed in Land Saxony and for the circulation of the controlled goods covered in SMA Ord. No. 67. Backed by the fullest support of the Land Government, the Kontor is itself answerable to the Russians for the successful fulfillment of the state's production plans. The corporation is a member of Saxony's new land-owned industrial monopoly, and all non-member private firms are subjected to the most rigorous supervision.
